COMMENT:

The question arises: Has UTD reported the operational lead through KAMBA to Zipper? If the lead turns out to be worthwhile, who is to follow it up Zipper or KUBARK (through VOB). If the latter, what about the security aspects involved?

25.0

Seems clear that UTD reported to Zip, tho we may not yet have recd. this name from Zip.

No justification at all for VOB to cut into Zip. operation. Sanitizer op. is such.

Strong security objections to letting UTD play some one over

into VOB. It would uncover  
a VOB case officer etc, etc  
and is not a justified  
risk.
